ALE WELCOMES NEW UK DIRECTOR

ALE has appointed Darren Adams as the new Director for the UK business.

Darren, who has previously held positions as Chief Operating Officer and Managing Director in the industry, and more recently, was on the Board of ALE's joint venture in Canada, will be bringing a wealth of experience to the role.

Speaking on his latest appointment, Darren Adams commented: "I'm delighted to join ALE and share the vision for long term growth and development in the region. It is an exciting time for the UK industry and I'm looking forward to the new challenge."

Michael Birch, Regional Director – UK & Projects, said: "We would like to welcome Darren Adams to ALE. Darren brings over 20 years' of knowledge and experience from the heavylift and transportation industry which will push our strategy for development, investment and growth of the UK business and the ALE group overall."

ABOUT ALE

Founded in 1983 by Roger Harries, ALE delivers a highly tailored, end-to-end service covering every aspect of the handling, transportation and installation of heavy, indivisible loads, including lifting, transporting, installing, ballasting, jacking and weighing.

ALE delivers strategic heavy-lift services to a wide range of sectors, including civil, oil and gas, energy, nuclear, offshore, renewables, petrochemical, ports, marine, minerals and metals and mining.

ALE has more than 30 offices across Europe, the Far East, Africa, America, South America, the Middle East and Australia. It is fully compliant with international standards of safety and excellence, including Quality standard ISO 9001:2008, Environmental standard ISO 14001:2004, and Health and Safety Standard OHSAS 18001:2007. ALE is also registered and qualified in the Achilles Norway and Link-up systems, and is a member of both the British Safety Council and the British Standards Institution. Further information can be found on the ALE website at www.ale-heavylift.com
